11.13.01.a To allow a "Commercial Entity" use of the AGC for profit, provided that the applicant meets the following criteria set forth by the Board of Directors:

1. Entity must be a "Commercial Entity" with a Federal Tax ID.
2. Entity must provide proof of Liability Insurance protecting the AGC in the amount of not less than one million dollars.
3. Entity must pay rent of \$100.00 per day, plus \$2.00 impact fee, per day per person attending, regardless of whether or not attendees are charged for participation.
4. Entity must provide the AGC a signed Hold Harmless Agreement from each attendee, and must themselves provide a Hold Harmless release of liability to the AGC.

It must be understood that the AGC is merely renting its facility or a portion thereof, and is in no way connected to the event. The AGC Board of Directors reserves the right to refuse any entity, even if the above criteria are met. Each application is to be reviewed by the Board and approved or disapproved by a majority vote. Passing of this supersedes any previous rules concerning "for profit" use of the facility.
