- The clubhouse, the education trailer and the bench rest trailer are now open, however they are limited to 10 persons in the building, “social distancing” must be maintained, no food or beverage preparation and a contact-tracing record is required if people are closer than 6 feet for more than 15 minutes. All persons 11 years and older are required to wear face masks when inside all club buildings.
- Trap:
 - Shooters must maintain 6 feet distance from each other at all times.
 - “Regular” weekend trap, Wednesday trap and clubhouse operations resumed in June
 - Coin operated use Mondays, Tuesdays, Thursdays, and Fridays.
 - Coins may be purchased in the clubhouse on Saturdays and Sundays

- Spacing on flagged ranges must maintain 6 foot social distancing.
- Berm use is limited to 25 persons per berm and must maintain 6 foot social distancing.

***Please note: Monthly Board Meetings will have limited seating, due to the requirements for social distancing.

REMINDER TO ALL

For the safety of our members and staff, it is important that we continue to practice COVID-19 safety measures at the club.

Please be sure to keep a minimum 6-ft distance when conversing with members/staff inside the clubhouse and masks are still required.

If members fail to practice safe social distancing and wearing masks, the clubhouse will be closed.

Thank you!

200 Yard Military Rifle Match

Our first match for 2021 will be held on Saturday, March 6th at 9:00am. This will be our AI Meader spring match. Sight in and practice will begin at 7:30am. We will not hold any matches unless it is 40 degrees or above. Snow and rain will also be factors.

Because of the change in the CMP rules regarding re-barreling vintage rifles, we may be making a change in our own rules. We will discuss this rule change at the match.

This year we will have 2 sniper classes. One for original sniper rifles with original low magnification scopes. The other will be for modified sniper rifles using modern optics up to 8x.

There will be no Military Pistol match in March.

Service Weapon Classes

The following classes are being offered to AGC members. The classes will cover history, function, takedown and cleaning. You may bring your firearm, NO LIVE AMMO. All firearms will be checked prior to entering the classroom. Each class will host up to 14 people to allow for social distancing and masks will be required.

Classes are FREE and will be held in the education trailer at the club.

Contact Pete at 720-939-5396 or peter2694@hotmail.com to reserve your spot.

AGC Monthly Trap

We will be starting our 2021 monthly member trap shoots beginning with the first shoot on Sunday, March 14. The format will be as in the past with 50 singles, 50 handicap, and 25 pairs of doubles. Members can shoot all or part of the program at their choice. We will also have optional prize pots for each class of singles and doubles, as well as the continued Progressive Pot for handicap. Class winners for singles and doubles will split in the event of a tie. The Progressive Pot pays 70% of the pot total if a member breaks all 50 handicap targets. In the event 2 or more shooters break all 50 targets, those ties will divide the 70% amount. Last year Bruce Kuhn took home 70% of the pot in the last match of the season, which was the first 50 straight Progressive win in several years. Members of all shotgun shooting skill levels are encouraged to participate since this is really a fun event and one to help hone your shotgunning skills.

Registration will begin at 9:00AM and we'll start the shoot shortly after. 2021 shoot dates are scheduled for: Mar 14, April 11, May 9, June 13, July 11, August 8, and September 12. October has not been scheduled yet. Looking forward to a good season and please feel free to contact me if you have any questions.

Hope to see you there --- Rich Dimisko
