## PRESIDENT'S MESSAGE

The summer is here along with the warm weather. Want to remind everyone now is the time get involved with your club. There are many disciplines that offer great competition and fellowship. Our discipline chairmen work long and hard at making the shoots fun so come out and support them and your sport. Also, remember this month is the annual CMP D-Day shoot to remember our veterans. It is shot on the 100 yard line and is a CMP match. Pete Benoit and Rob Rathburn have done a great job with this shoot for the past several years and this one will be no different. Each year the proceeds of the match are donated to a group that serves and protects us whether it be armed forces or law enforcement. The lead clean-up project has been completed. This was a very good project from the standpoint of being good neighbors and taking care of our property. I would like to share a couple of genuine things written by drivers on insurance forms. "I didn't think the speed limit applied after midnight" !!! " I saw a sad-faced old gentleman as he bounced off the roof of my car"!!! And finally " A pedestrian hit me and went under my car"!!!

Wishing all safe and successful shooting.

Terry Humbargar—President

### III PRESIDENT REPORT

Terry would like to thank Martin for holding the first Range Officer class for 2008. Many positive comments on the class were made by those in attendance. AGC received a zoning notice letter from Arapahoe county stating we were running an illegal batch plant on the AGC property. Terry explained in a return letter to the county, that the machinery was used for lead reclamation not batching. Arapahoe County cleared AGC and withdrew the complaint upon receipt of the AGC letter.

Work Party to be held Monday June 9th at 9:00 AM, painting, mowing and raking are primary tasks. Ideal Fence was chosen as the contractor to construct the perimeter fence. **2nd Vice President, Randy Still:**

5/12/2008 the wind blew tractor cover over Cal's house where it impacted with the southern most building on the 100 yard line. Berms have started to have too many tires brought in and dumped there by the membership. This practice should stop! Schedule for second work party: August 2nd tentative date, there is plenty to do here at the club. May 31st there will be a tractor show and potluck at the AGC 10:00 AM. There is a "shot catcher" that could be purchased to collect the spent shot on the trap ranges (board should just consider this).

**05.13.08.c Motion to hold a work party August 2 at 9:00AM. Motion Seconded and passed.**

**Treasurer, Mike Miller:**

No new business

**Secretary Martin Visnak:**

## VIII ADJOURNMENT

**MOTION TO ADJOURN. SECONDED. MOTION PASSES.**

-Minutes taken by Martin Visnak Secretary

# TRACTOR SHOW

**Saturday  
May 31 2008  
10:00 AM— 4:00 PM**

**Potluck  
at  
NOON**

**CRO's Corner**

As I spoke of in last month's CRO's corner, the AGC offers the opportunity for members with two years of membership or more to become an RO (range officer). As an RO you will be helping to keep the AGC running safely. Every hour worked will reduce the RO's following year's dues by \$8.00. To become an RO one must attend an RO class, in so doing, the member becomes "certified" by the AGC as a Range Officer. This certification is by and for the AGC only and is not affiliated with the National Rifle Association (NRA). In June I will hold two more classes. One class will be held Tuesday June 17<sup>th</sup> at 7:00 PM and the second on Sunday June 22<sup>nd</sup> at 1:00 PM. Expect classes to last between 1 and 2 hours depending on number of people who attend and amount of questions asked. Classes are low key, informative and hopefully interesting. Be prepared to take notes for your future reference.

Please note: if you were/are an RO, your certification is good for only 2 years. If you wish to continue to be an RO you must retake the class every 2 years! The AGC BOD set a mandate in 2008 that from this year forward, ALL discipline chairmen/women (or their designated representative/s) must also attend an RO class every 2 years. Since this is a new requirement ALL discipline chairs (or their designated representative) are expected to attend classes this year! Attendance will be taken and recorded. [rocketmot@msn.com](mailto:rocketmot@msn.com)

Martin Visnak Chief Range Officer AGC

**SWAP MEET**

An AGC swap meet will be held June 28, 2008 beginning at 9 a.m. Members are welcome to display their sporting goods, shooting accessories, reloading components, and other shooting paraphernalia from the backs of trucks, cars or tables. It will be located along the northern side of the entrance road across from the rim fire silhouette and 200 yard ranges. Due to Colorado gun laws, absolutely no firearm sales are allowed during the meet.

**ATTENTION AGC MEMBERS**

Please **DO NOT** drop off your used car or truck tires in our berms or trash dumpsters. This not a tire dump. If you are caught doing this, you will be brought up before the board.

First offense: Your card will be revoked for 30 days.

Second Offense: Your card will be revoked PERMANENTLY. Thank you,

The Board of Directors

**THOUGHTS AND PRAYER**

Please keep Davey Dankowski in your thoughts. Davey is under going another Knee replacement. Also, and old friend Nate Miller is recovering from back Surgery. His recovery has been slow and we hope to see Nate shooting again.

Bill Chin

## GUEST FEES PAYMENT BOX

As per the AGC member rule number 31 "members may bring a maximum of four guests at one time. A fee of \$3 per guest will be charged for the additional non-family member guests and the member is responsible for payment. Members with guests can only use one shooting position on any rifle or pistol range." Rule # 30 states " A member may bring his/her spouse and children under 18 to the range plus one other guest free of charge." We have added a payment box at the north end of the caretaker house by the garage door. Members are now required to pay for their guest BEFORE shooting. Follow the directions on the lid of the box and deposit your envelope in the slot. The board of directors passed the following motion regarding payment. It will be strictly enforced by the club. "AGC members will abide by rules 30, 31, and 32 as written in the AGC General Member Rules. Guest fees will be paid BEFORE shooting at the Guest Fee Station. Failure to do so will result in the range officer or caretaker collecting DOUBLE fees from the member on the first offense. Repeated offenses will be referred to the BOD for discipline."

Thank you for your attention to this matter
