Motion seconded and passed

IV. MEMBERS FORUM

Pete Benoit – Pete was not at the April meeting but heard that a date was set for the WWII shoot for May 22nd at 9:00 am. Pete also heard that there has been one attendee respond so far. He would like to do a pre-safety briefing in the education trailer classroom at 8:30 am that day for shooters and an informal 25 round match off the bench. Pete said he would run the line and will supply the targets. Dietrich asked for more information about the shoot as he was not at the last board meeting.

Tom Meisheid – Tom asked when the club might have their next Hunters Ed class. Nicole said she would contact Stuart Davis to see about a date.

V. OLD BUSINESS

Financial Report — 2nd VP, David Faingold - April revenues were \$23,038 and our expenses were \$22,820 with a net gain of \$218. Our YTD revenue is \$114,277 and our YTD expenses are \$91,609 with a net gain of \$22,668. Account balances: Chase Checking Account \$65,017; Chase Payroll Account \$11,761 and Chase Savings Account \$431,984; Bank of the West Money market account \$208,547. David read the following update provided by Loren by email “The 2021 property tax payment was made for \$26,671. That amount was on the balance sheet as an accrued liability so there's no incomes statement affect. We recognize about \$2,300 of accrued property tax expense every month so at the end of the year we have the necessary amount of money set aside, aka accrued, to pay the bill.

Maintenance Update – 2nd VP of Maintenance, David Faingold – David said he would like to thank everyone that attended the work party. He has no additional projects at this time. David addressed the bridges in the creek and mentioned that the changes made during the work party were an improvement. He asked that if anyone makes any changes to please ask him first. He was concerned about changes made after the work party and the person used cinderblock and a railroad tie. David does not want to use any materials that could have a ricochet affect. David also mentioned that CRO, Steve Chagolla would like to have signs made with the safety notes listed on the yellow badge card (1. All guns are always loaded., 2. Never let the muzzle cross anything you are not willing to destroy., 3. Always be sure of our target and what is behind it., 4. Keep your finger off the trigger until the sights are on the target.) in a series so that members see them on a regular basis and are always aware. Dave Hay also asked if a sign could be made for “no alcohol on the property” as the 5th sign in the series near the front as well as down by the archery range. Steve said the range officers find empty alcohol containers in all locations on the club property. Steve also said it's not only a club rule, but a state law that prohibits people from

handling firearms while intoxicated. Nicole will also add an announcement to the newsletter.

5.10.2022 c. Motion to approve adding safety signs to the property

Motion seconded and passed

PSAC Conex Storage – 1st VP, Chris Baker – Matthew Hess (in attendance) said he originally asked for a 12' container but would like to have a 24' one instead and he needs help getting permits and installing a pad with railroad ties. Matthew said the cost of the larger container is about \$8,000. Chris said that Tom Desmond made the board aware of his concerns and wanted to know if the PSAC storage container would be owned by AGC? Matthew said no. Tom's concern is that there will be a PSAC owned container on the club property and will the club be liable if something happens to it. Dietrich asked what the club's liability is? Chris asked Harold Lee (in attendance) as a former insurance guy, if the club would be liable? Harold said yes and if something happens to the container then the owner could say the club is responsible for the damages. Matthew asked if he signed a release form would that make a difference and he will check with PSAC to see if they have insurance that will cover it. The topic was tabled for the month.

First Aid Committee Meeting – 1st VP, Chris Baker – Chris said the committee had their first meeting on Saturday and those in attendance were himself, Ron Dobbs, Don McAllister, Keith Benson and Emit Hurdelbrink. They discussed the following items: organizing the first aid kits and have smaller kits for band aids, trauma and medical that would be labels and have a seal so we would know if they were opened, have additional locked storage for extra supplies and mandatory training. The supplies would be checked more frequently during the summer when the club is busier and less during the winter months. Chris said Keith works in a hospital trauma department has a lot of incite in first aid and will reach out to the fire department to see if the emergency information listed on the yellow badge card is still correct and how emergency responders would access the property if needed. Richard Parker said the main first aid kit is in the education trailer. Chris would also like to add a document for first aid information to the new member orientation packets. Tom Meisheid suggested adding a map of the locations of first aid supplies to the packet. Ron Dobbs said he found closures for the kits that are about \$10-\$15 for 100. Chris also said the two main issues to address is the training and first aid kits. Ron also said that the head surgeon at the hospital Keith works at could possibly do the training and use a grant to help pay for the cost of the training. Bob Goldschmidt worked for a gun range in Oregon and wanted to know what the laws were in Colorado around first aid training. Richard said the AED company will come out to provide training for the AED machine. David Faingold also commented that he did his CPR/AED training through the Red Cross and it was not very expensive. Chris asked if the training should be mandatory for AGC employees/range officers, discipline chairman and the board. Ron thinks mandatory first aid training should be done by the end of the year, and if an employee can provide proof of already receiving training, then they would be exempt. Ron also offered to call the fire department to get additional information. Chris would like to take inventory first, collect more information and talk about the topic again next month.

Clubhouse Renovation Status – Member/Project Manager, Dave Leiker – Dave distributed a document to the board and members at the meeting. He said there have been a lot of problems getting the permits from the county. Each item listed on the document requires a change to the blueprints and building procedure for approval. The last two items needed remittance for the septic system and once checked it was fully capable. One other item under review is related to the Disability Act which requires the bathroom to be handicap accessible. Dave said it is all being worked on and he asked the board if his letter could be added to the newsletter. Dave also said the contractor needs a letter from the board indicating that the clubhouse building has always been used as a clubhouse. Nicole will draft the letter and provide to the board and Dave for review. It was also commented that the permit for CRC has taken 2 ½ years to obtain for their clubhouse. Chris asked what the timeframe is that the contractor needs to respond by and Dave said by June 2nd. Dave said it's possible the permit could be issued tomorrow or there could be another revision which would require another submittal. The other issue is once we have the permit, we are not done and we will still need inspections for the final review and then we will get a Certification of Occupancy. Dave Leiker's letter includes the following:

The Aurora Gun Club signed the contract to rebuild the clubhouse in late May of 2021. The contract was with Mr. Dave Dixon of Colorado Blue Construction, LLC. The contractor demoed the building shortly after and performed work on the plumbing, electrical and

added steel wall studs to the state the clubhouse is in now. The contractor needed paperwork from the club to submit to his engineers so they could produce the blueprints for Arapahoe County to permit. The paperwork was misplaced and located at the end of July 2021. The engineer completed the new drawings in October and the permit was applied for on October 25, 2021. Since then, there have been multiple changes and requirements from Arapahoe County that require updates to the blueprints and inspections of the club property. Each time there is a change that requires a resubmission to the county or updates, there is a delay of a week or more.

Above are the dates of resubmittal requests from Arapahoe County since October 25, 2021. The last resubmittal date is 04/29/2022. The contractor has forwarded the information to his architect for updates. As of now it is unknown how many more updates the county will require before issuing the permit. The contractor and Board Member, Mel Caraway have been working hard to keep things move. Hindsight is 20/20. If the contractor knew it would take this long to obtain a permit, he would have waited until after receiving the permit to demo the clubhouse. We can only look ahead now and hope for the best. Once the permit is issued, we can begin the remodel.

Dave Leiker

2022 New Membership Update – Administrative Assistant, Nicole Quiring – All spots have been filled and the final orientation is scheduled for Saturday, June 4th at 9:00 am for 8 new members.

VI. NEW BUSINESS

Incident Report – 1st VP, Chris Baker – Chris received copies of two incident reports this month. The first incident was for a man riding a quad on the hill behind the 100-yd range. A cease fire was called. Reminder to all members that anyone can call a cease fire if they see something out of the ordinary and we can't stop it or prevent it, and this also applies to animals on the ridge.

Steve Chagolla spoke about the second incident. A member injured himself while shooting on the 200-yd range. The injury was witnessed by another member shooting close by. The injured member was shooting a muzzle loader rifle and his hand was injured when the gun barrel exploded. The member was taken to the hospital for care and assistance by another member.

Appointment of Secretary Position – 1st VP, Chris Baker – Chris asked if there were any board volunteers for the Secretary position. David Faingold said he would like to nominate Ron Dobbs to take the Secretary position. Ron and the board agreed.

Safety Video – 2nd VP, David Faingold - David said he was tasked with making a safety video for members. He said other ranges have safety briefings annually to maintain membership and he would like to recommend that we make it mandatory for AGC members to view the safety video every 2 years or their membership does not get renewed. David said he thinks the video needs to be viewed in a controlled setting such as renting a church or school nearby that will hold up to 200 people, starting in September of this year. David then played the video at the meeting. The 14-minute video was created by AGC member, Alex Ragulsky. Steve Chagolla recommended making the video available online to members. Chris Baker said he would also like to add the video to new member orientations. Dave Hay suggested asking Tom Desmond about adding the video to member database for tracking.

Summer BBQ Discussion – 1st VP, Chris Baker – Chris asked if there were any board volunteers that would like to handle the summer BBQ. Manny and Dietrich both said they would handle the BBQ arrangements. Manny suggested keeping things the same as last year and that they will get pricing and bring to the meeting next month.

Review June Calendar – Nicole Quiring reviewed the June calendar. Nicole also mentioned that she received a few questions regarding the ladies' shoot in June. Anne Draper sent Nicole an email asking if her group could meet at the club on June 3rd to look over the areas where they will be shooting. Board agreed that was fine. Anne also asked if there would be a charge for using the facility? No, but they will pay the \$10 guest fee per shooter. Steve Chagolla also said he would get a designated RO to work their event. Anne also wanted to know if the ranges they will be using can be closed the day before (Friday) for setup and board said after 12:00 pm would be fine.

VII. BOARD ROUND TABLE

David Faingold – David said he would like to look into a full-service bathroom trailer that has running water through Liberty for the summer BBQ and possibly the ladies' shoot.

Manny Boyd – Manny asked what happened to the CMP letter inquiry for a spouse badge holder. Nicole explained that she called CMP as he suggested, and they would not recommend issuing letters to spouses because they are not full members. CMP recommended that people get a membership through Garand Collections Association for CMP affiliation.

VIII. RECESS & ADJOURNMENT

Recess for 5 minutes before executive session

IX. EXECUTIVE SESSION at 8:45pm - The executive session is for employee related issues only.

Announcements

Volume 22 Issue 6 June 2022 Page 7

Important Announcement to Members

Beginning with 2023 AGC Renewals, all members will be required to keep their NRA membership up to date for the entire current renewal year and not to expire prior to 12/31/23. Please keep this in mind when renewing your NRA membership this year.

Financial Review Assistance

The board is looking for a few members to review the club's financials for 2021. A date/time will be determined at a later date, but if you would be interested, please email AGC Treasurer, Loren Kohler at treasurer@auroragunclub.com.

Thank you!

AGC Swap Meet

Don't forget the Swap Meet is on Saturday, June 25th from 9:00 am – 1:00 pm. Members can bring their shooting related items such as reloading equipment/supplies, clothing, etc. to sell. Please no firearm sales. Be sure to park along the North Drive between the gate opening and the telephone pole.

SAVE THE DATE - AGC Summer BBQ - Saturday, July 30th

Look for more details in the July newsletter!

Hope to see you there!

2022 Election Notice

Election time is coming up, so please submit your bio!

Our annual elections will be held Sunday, October 2nd to fill three positions. We need dedicated members who are willing to donate their time and talents. If you are interested in running, it is suggested that you attend one or more monthly club board meetings, so that you will become known to the membership and will be familiar with what is going on at the club.

If you would like to run for the board, please declare your candidacy by sending in your biography of 150 words or less to auroragunclub@g.com. In your biography explain why you want to run and what you hope to accomplish. You must declare your candidacy two weeks prior (**which is August 30th by 7:00pm**) to the BOD meeting held on September 13th.

Note: You must have been a member for at least one year in order to run for the board.

If you have any questions, please contact Dave Carriker, Election Chairman at 303-798-3471.

Ladies' Shoot

AGC Member, Anne Draper and acquaintances are hosting an outdoor women's shooting event at AGC on Saturday, June 25th at 9:00am. Registration is required as space is limited.

(Note: this event is for AGC members and non-members, so please feel free to inform spouses, friends or family that may be interested.)

More details and registration link will be emailed to members in early June.

Monthly Member Trap Shoot

The next monthly shoot is scheduled on June 12th. We will start registration and shooting at about 9:00AM.

May Cowboy Shoot

The weather forecast was for cloudy and cool in the morning and rain in the afternoon. It was sunny, and hot, and no rain appeared so much for paying attention to the weather forecast. We had a fun cowboy shoot and everyone seemed to be having a good time. Welcome first-time shooter with us Lone Pine Ranger and welcome back to Chauncy Dewey, Broken Bow Bob, and Frosty Rose. We also had the privilege to welcome our youngest shooter, Little Creek, who is four years old and shooting all the guns that are required with assistance thanks to GrandPa Oak Creek Martin. He was really having a great time and hope he will be able to join us again in the future. Our one clean shooter this month was Elgin Huckelberry and congratulations to him on a job well done. With the ammo, powder and primers a bunch of us are shooting our single action revolvers in 22 caliber and Henry Rifles also in 22 caliber to join in the fun. I miss the boom of my black powder loaders but maybe in the near future all of us will be able to get back to shooting big bore again. We have plenty of room for any that would like to come out and join us at our monthly shoot on the 2nd Wednesday each month with set up starting at 0800 and lead heading downrange at 0900. Start out with your 22's and when the shortage is over change to a larger round or just stay with the 22's and just keep having fun. Scores are posted on our club website, <http://cottonwooddrawgunslingers.com/> as well as pictures taken during the shoot. Our next shoot is scheduled for Wednesday June 8, 2022 so if you are able come on out and join in on the fun. Happy Trails until we meet again, Jinglebob Gerri, Badger, Hellfire Henry and Diamond Curly.
