## BOARD MEETING MINUTES 8/9/2022

Meeting called to order at 7pm by President, Tom Desmond

Present: Boyd, Baker, Dobbs, Hay, Whitesides, Faingold, Kohler, Desmond and Caraway

### I. CALL TO ORDER

Pledge of Allegiance

### II. AGENDA

**8.9.2022 a.** Motion to approve agenda

Motion seconded and passed

### III. MINUTES

**8.9.2022 b.** Motion to approve minutes from 7/12/2022 BOD meeting

Motion seconded and passed

### IV. MEMBERS FORUM

Bob Steil – Bob had a question regarding the first aid update and wanted to know if he had to take the first aid course as co-chairman of the magnum discipline. Chris Baker said no, the classes have been shelved for now.

### V. OLD BUSINESS

Financial Report — Treasurer, Loren Kohler – July revenues were \$24,381 and our expenses were \$21,839 with a net gain of \$2,542. Our YTD revenue is \$186,412 and our YTD expenses are \$153,158 with a net gain of \$33,254. Account balances: Chase Checking Account \$66,321; Chase Payroll Account \$7,760 and Chase Savings Account \$392,004; Bank of the West Money market account \$208,554. Loren mentioned some fraud activity on his AGC credit card and he worked with the bank to get credit for the charges and a new card has been ordered.

2021 Finance Review Committee Meeting — Treasurer, Loren Kohler – Loren said he has a small list of members interested in participating in the finance review. He will set a date this month for a committee meeting.

Maintenance Update & September Work Party – 2<sup>nd</sup> VP, David Faingold – David said he had the prairie dog pest control people come out and the club did have an infestation. He also said Landtech come out and cleaned up the entire range from gun club road down to trap 4 of the weeds. He has been working with Mike Benskin on the tractor and they are working together to make sure the tractor work is getting done. David said he had an update regarding the club internet connect. He purchased a Mesh wireless system and it will help with the connectivity along the range. The modem in the caretaker house is stronger and the connection will go from the caretaker's house to the trailer and over to the clubhouse. David also contacted CenturyLink and the last update we had was in 2016. The club has been paying \$245/month. David was able to get the club a better and lower monthly deal and updated modem. The new monthly bill will be \$109 with better service. As for the work party, he has no plans to bring out the front loader to repair the berms. He plans to address what discipline chairman need, add a yellow line on the silhouette range, painting and regular clean up. David said he would be having ankle surgery on 9/12 and won't be at the September meeting and may need help with the party on 9/24.

Safety Video Update – 2<sup>nd</sup> VP, David Faingold – David said the plan is to still do the safety video without a test for members. Viewing of the video will be on the honor system. He would like a checkbox added to the website that members will check after they have viewed the video.

CONEX Storage for PSAC – President, Tom Desmond – Matthew Hess (in attendance) said he's still shopping around for CONEX. Matthew said he would like to start with one 20' unit and would like to possibly add a second 20' unit later. The board agreed to allow PSAC to add the CONEX.

BOD Election Update – Election Chairman, Dave Carriker – Dave said the election will be held with 4 candidates so far - 2 existing board members whose terms are expiring, and the third board member will not run again. We also have two additional members running – Michael Brunson and Cyrus Sarmast. Dave introduced Michael and Cyrus (both in attendance).

Michael Brunson – I served on small town Chamber of Commerce, Toast Masters and HOA and will to do the job. I also manage a small call center for a small local IT company.

Cyrus Sarmast – I can help the club out with the safety video or other network type stuff. I am a Jarhead by trait, technical work for a living and was in law enforcement for several years. I have never served on a board officially but have helped in other aspects. I will do what is in the best interests of the club and keeping people safe with strong membership.

First Aid Update – 1<sup>st</sup> VP, Chris Baker – Chris said there was nothing new to report this month and he will reach out to Emit for an update.

Clubhouse Renovation Status – Project Lead, Dave Leiker – Dave said the building has been cleaned out which made a big improvement. The inspector was at the club this morning to look at the ground plumbing and the bathroom can be cemented. The inspector will be back out this Thursday and Dave said he's hoping it will get done. Dave also said there have been 10 changes to the 27 that the inspector has required. The flexible ductwork cannot be there because it's against code, so it will have to be replaced with galvanized sheet metal ductwork. Dave said things are moving along and there is progress.

Summer BBQ Follow Up – Manny Boyd – Manny said he thought members had a great time at the BBQ and he thanked everyone that helped. He said they did an outstanding job. He's hoping to do it again next year – bigger and better. Nicole thanked Steve Chagolla and Stephanie Hughes for all their help as well.

## VI. NEW BUSINESS

Incident Reports – President, Tom Desmond – No reports.

Rules Committee Meeting – President, Tom Desmond – Tom said we need to set a date for a meeting if there are changes to be made. He said we need to talk about the yellow line on the silhouette range as there is no yellow line there now. David said the most logical place is in the rear on the back of the flag. Mike Benskin (in attendance) said he and Dave Bonner run the matches the same and rifle stands are as far back as they can be. Chris Baker did not think there was a rule that referenced the line. Steve Chagolla (in attendance) said that rule C3 (*Firearms will not be handled for any reason when the range is CLOSED and/or when persons are forward of the firing line. Shooters will stand back and away from their shooting*

*position and behind the safety line during this time. This includes cleaning, casing and un-casing or moving firearms to and from the shooting benches. All firearms remaining on the firing line will have their actions open with no live rounds in them.) and rule A15 (On flagged ranges, the range is open only when the flag is up and closed when the flag is down. There is to be no handling of firearms while the flag is down. All long guns must have the action open when left on the bench or in a rack. Flagged ranges are the 100 & 200 yard ranges & the Silhouette range.)* reference the line and the silhouette range. There was discussion around whether an actual line was needed, and no decision was made.

Magnum Berm Rename (Randy Still) – President, Tom Desmond – Tom mentioned that Bob Steil had recommended that the magnum berm be renamed to honor Randy Still last month. It was brought up that a memorial sign was placed on the 200-yd for Randy already. Steve said that was for the Military Pistol Match remembrance for Randy. It was discussed if an additional sign should be added to the magnum berm since one was already up on the 200-yd. Willie Chatman (in attendance) recommended a memorial brick be added by the clubhouse for all members that pass away. Dave Leiker recommended a plaque inside the clubhouse with a small plate for each member that passes away.

Review September Calendar – Nicole Quiring reviewed the September calendar. Nicole mentioned that there was a revision to the August calendar and the NRA Action Pistol discipline changed their setup date to 8/12 and will only hold their match on 8/13.

## VII. BOARD ROUND TABLE

Ron Dobbs – Ron apologized for missing the July meeting due to busy work conditions. He also said things have been a busy for him since his brother passed that month as well.

Dave Hay – Dave said he would like to give his time to Willie Chatman to discuss his plans to do for the AR-15 shoot in August. Willie said he took Fred's advice and went to the Navy Center and he has been contacted by numerous members that would like to make a donation to pay for the soldiers to shoot at the match. In addition, ammo will be provided for all the active-duty shooters.

Dietrich Whitesides – Dietrich said he would like to donate a can crusher device to possibly hang over a trashcan in the clubhouse. We have lots of cans from soda purchased at the club.

David Faingold – David said there was an issue with the power in the large porta potty trailer that has been resolved. In addition, he would like to note that people should keep their foot on the peddle flusher for at least 30 seconds to flush.

## VIII. RECESS & ADJOURNMENT

Recess for 5 minutes before executive session

**IX. EXECUTIVE SESSION** – at 8:05 pm. The executive session is for employee related issues only.

## Important Announcement to Members

Beginning with 2023 AGC Renewals, all members will be required to keep their NRA membership up to date for the entire current renewal year and not to expire prior to 12/31/23. Please keep this in mind when renewing your NRA membership this year.

## Member Contact Information

With the annual election and renewal invoices just around the corner, please make sure that your contact information is up to date!

If you have a change of address, phone number or email update, please contact Nicole Quiring by email at: [auroragunclub@g.com](mailto:auroragunclub@g.com), Phone: 720-662-7589 or by mail at: PO Box 4038 Parker, CO 80134 to update your account.

# Biographies for Board Election

Volume 22 Issue 9 September 2022 Page 9

**CYRUS SARMAST** - Currently I am in a leadership position with a major cybersecurity corporation as an engineer. My related background consists of 15 years of military service to include combat deployments, six years of law enforcement as a reserve deputy, and actively participating in USPA and IPSC competitions. I believe in setting and leading by example. By understanding my limitations and making every effort at developing better skills. To always be counted on for good judgement, initiative, tact, and integrity. As leaders, AGC board members are responsible for balancing the needs, wants, and likes of the membership body along with the needs and well-being of the club. Serving on the board will allow me to give back to an exceptional organization. I believe my background brings a fresh perspective and common-sense approach to help develop and guide the AGC towards a successful future. Thank you and I humbly ask for your vote.

**TOM DESMOND** - I am currently finishing my third 3-year term on the Board of Directors and am currently serving as the President. During my first three terms I have:

- Served three years as Treasurer;
- Served the last five years as President;
- Developed the new web page design;
- Developed the online member database;
- Implemented online credit card dues renewals;
- Reached out to members to have enough board candidates to hold an election;
- Facilitated the return of concealed carry classes;
- Facilitated credit card processing in the clubhouse;
- Supported capital improvements to the club property; and
- Steadfastly supported all the disciplines at the club.

I hope you'll give me the chance to continue to serve the club and its membership as I look forward to additional improvements for our club.

**EMMANUEL BOYD** - I'm Emmanuel Boyd, I'm running for re-election to the Board of Directors of the Aurora Gun Club. I enjoy working on the BOD of AGC, it is rewarding and sometimes challenging. In the past I've been Secretary, 1st VP, and even President. I've worked special project like Oil Rights, Christmas Parties, and BBQ to name a few. I'm the Chairman for the Magnum Gun. I also take part in Trap, Military Action and Bolt shooting, and Center Fire Bench Rest Shooting. Again, I enjoy serving on the Board so please consider me for the Board of Directors for Aurora Gun Club.

**MICHAEL BRUNSON** - Like many others, I started my shooting adventures with a BB gun in my single digits, soon thereafter a Ruger 10/22 and a Mark II. Many guns, adventures, and years later - here I am in Colorado. My main distraction from shooting is managing a data center for a local IT company, but I must do something to buy the ammo. Along the way, I've served on a Chamber of Commerce in a small town, the Board for an HOA, and the Board for a Toastmasters club. These experiences should give me a good grounding in how Boards operate, so I'm not completely clueless going into this. I believe I'd enjoy serving on the board of the AGC and will be sure to pursue it with honesty and integrity. Hope to see you on the range.

**WILLIE CHATMAN** - I've been a member of AGC for 12 years. I particularly like to shoot pistols, centerfire rifles and occasionally trap. I also enjoy competing in the rimfire, benchrest and military 100-yard shoots. Since becoming a member, I have on several occasions volunteered to perform work on behalf of the club. I am also co-chair of the Military bolt action discipline. On a personal note, I currently work for a large defense contractor at Fort Carson, Colorado. In this role I manage and oversee the training of Soldiers in Close Quarter Combat and Urban Warfare. This contract is the second largest defense contract in the US; hence, I believe my responsibilities (management, oversight, and critical thinking) qualify me to be an effective Board member of the AGC. In my role as a Board member, I believe I have a responsibility to represent all disciplines at the club and will take this responsibility seriously.

## June Cowboy Action Shoot - August 10, 2022

We had another sunny and hot day for our August cowboy shoot at the Aurora Gun Club. About halfway through the match we did get a nice cool breeze which really helped everyone cool down just a little. The scores are already posted on our web page: [cottonwooddrawgunslingers.com](http://cottonwooddrawgunslingers.com) and some pictures should also be online in a couple of days. Congratulations to Badger for his clean match. Cool Hand Cos, SMGR Boyd, Broken Lantern and Broken Bow Bob also joined us again this month. We always try to have a fun match so if you have not joined us, please come on out on the second Wednesday each month, weather permitting, and help us clear Colorado Territory of the bad outlaws and make living in Colorado Territory a safe and pleasant place to live. If you have any questions just give me a call, my phone numbers are in the monthly newsletter, and I will try to answer any and all questions that you may have. We are normally finished shooting at about noon, so you still have plenty of daylight left to do anything else that sounds good to you. It is always nice to see new faces and of course some of our more frequent shooters at any match. We cannot thank all of the cowboys/cowgirls enough for all their help each month for making it a fun day to relive the old west here in Colorado with shooting our westerner era firearms. Our September match will be held on the THIRD Wednesday because of the large shoot being held in Briggsdale the weekend before the second Wednesday. That will give our shooters shooting that weekend a few days to clean guns and just get a little time to play catch up for our match so that they can have as much fun as possible. There will be an e-mail sent out to remind everyone of the change before the second Wednesday.

Happy Trails until we meet again. Jinglebob Gerri, Badger, Hellfire Henry and Diamond Curly

## August 13, 2022 - NRA Action Pistol Results

Thirteen shooters came out early Saturday morning to shoot our August club-level NRA Action Pistol match. This match consisted of five stages including four standard stages of Practical, Barricades, Los Alamitos, and Falling Plates. A fifth, just-for-fun challenge stage was thrown into the mix to shake things up a bit for a total round count of 219, a point total of 2190 with 219 Xs. Bob Hughes took the top place shooting 2118-92X with his open class centerfire. Steve Knoll came in second shooting a 2084-87X and David Wood pulled up third with a 2015-79X. (The "X" is the 4-inch tie breaker in the center of the 10 ring.)

Join us on the second Saturday of each month (weather permitting) to test and improve your basic handgun skills. Action Pistol club-level matches are held in berms 2, 6 & 7, shooters' briefing at 7:30 am, shooting begins at 8:00 am. Scores for Approved matches are submitted to the NRA for classification. Action Pistol information is given under "Disciplines" on the Club Webpage.

## Monthly Member Trap Shoot

I want to thank the folks who came out to shoot on August 14 - this was one of the larger turnouts with 14 shooters we've had in the past couple years and it was great to see the guys having a good time. Thanks to Marissa and Logan for their help in making things go along smoothly and also to Sonny for his ever-present help with keeping the trap machines running efficiently. A few bonus targets were thrown for a free round, and pretty much all of them were broken (including a couple that broke when they hit the ground).

I do want to point out that our trap machines are voice activated and when shooters talk while at the line, targets are being thrown. Those targets are wasted and we really need to be mindful to keep down the chatter.

We did have an accidental discharge at the line. Fortunately, the firearm was pointed to the ground and no personal injury resulted. However, this should be a reminder to all shooters that firearm safety can never be taken for granted and must be the constant focus of every shooter. Do not chamber a round until you are at the shooting line and it is your turn to shoot. If you are unfamiliar with how your firearm functions, please ask another shooter or a range officer for their help.

We have another shoot scheduled for September 11 with registration starting at 9:00AM and we'll start the shoot shortly after. I'm looking forward to seeing you folks out there.
