BOARD MEETING MINUTES 9/11/2018

Meeting called to order at 7pm by 1st VP Chris Baker

Present: Artzer, Baker, Boyd, Faingold, Kohler, Leiker, Mead, Quiring

Absent: Desmond - excused

I. CALL TO ORDER

Pledge of Allegiance

II. AGENDA

9.11.18 a. Motion to approve agenda

Motion seconded and passed

III. MINUTES

9.11.18 b. Motion to approve minutes from 8/14/18 BOD meeting.

Motion seconded and passed

IV. MEMBERS FORUM

Terry Humbargar – Presented a request from Bill Chin to purchase trophies for the Military Match in the amount of \$275.00.

9.11.18 c. Motion to approve the purchase of the trophies for the Military Match

Motion seconded and passed

Harold Lee – Expressed concerns about the encroachment around the club and if something should happen, that the club would be forced to close, then legal documents need to be in place. The club's funds could be setup to go to another non-profit. This is something that the board should investigate setting up, it was a topic that was discussed a few years ago. It was determined to establish a committee and seek legal counsel to put together the appropriate documents. Would like a notice in the newsletter looking for a couple of attorneys and any member interested in helping with this important issue.

A few members expressed that they would like to see a professional company come out and really spray the weeds and clean up the berms. Having only 2 work parties a year is not getting the job done.

Richard – Informed those in attendance that the gentleman, Sean, that does the snow plowing has the equipment to also do the weeds and will contact him for more information.

Dave Bonner – Asked who is responsible for the maintenance of the club? Only a handful of people work on the range when work parties occur. The board will fill the VP of Maintenance position after the election.

Willie Chapman – Is the club policing and enforcing the pickup of 22 brass? - The reply was "No". There was a lot of discussion about the 22 casings not being picked up and would like to encourage all members to pick up all bullet casings after shooting. Also, asked about the cover for the 100-yd. range. He stated that only a small percentage do not want the cover. However, there is a much larger percentage that would like it. Suggested having members vote on it, or to cover a certain section to start with and see what the response is. It was agreed that David Faingold will follow up with the architect to discuss a possible cover for the 100-yd. range.

Another member shared their concern about the rule on being respectful. He suggestion that all members need to treat each other with the same respect that they would show their grandfather or grandmother.

V. OLD BUSINESS

Financial Report — AGC Treasurer, Loren Kohler — Aug. revenues were \$22,146 and our expenses were \$31,234 leaving a loss of (\$9,088). Our YTD revenue is \$159,186 and our YTD expenses are \$180,972 leaving a loss of (\$21,786). Account balances: Checking Account \$111,053; Payroll Account \$15,157 and Savings Account \$658,622. Money market account \$301,142.

9.11.18 d. Motion to accept finance report as read

Motion seconded and passed

Maintenance Update – Next work party is on Sept. 29th. Richard has a list of about 20 different items. Board members, John Mead, Dave Leiker and Steve Artzer will run the work party. It was determined that this may not be the best time of year to have a professional company out to spray the weeds. Richard will talk to Sean to see what can be done at this time. Would like an Email blast sent out about the work party and what tools are needed. It was mentioned again about having the work parties in the Spring and Fall and not in the middle of the summer. April & Sept. are good months. Archery targets have not been installed yet, Michael Quiring will follow up with them.

Board member, Dave Leiker - Update on pavement – He felt like the board needed to define the project that needs to be done. He had sent an email to the board members to come out on a Sat., but no other board members met him. He has bids from a few companies. Will need to get permission from the county and get a permit. Some road base was put down for now in some of the holes. Dave again shared the bids that he had received. It was discussed and determined to go with the bid to pave to the back of the clubhouse. Pavement from the back of the clubhouse to the street was bid at \$44,000

9.11.18 e. Motion to approve the pavement from the road to the back of the clubhouse

Motion passed 6 to 3 (abstained – John Mead Opposed - Baker & Desmond approved – Boyd, Faingold, Kohler, Quiring, Leiker, Artzer)

Election Information – Dave Carriker – Looks like the club will have an election this year. The ballots will be printed at the end of this week and mailed by the middle of next week.

Members that are running for the Election that were in attendance to briefly speak were: Dietrich Whitesides, Loren Kohler, Chuck Dunbar and Chris Baker. Tim Hall – Was in attendance but left and withdrew is name from the ballot the next day. He felt that he may be better suited to help the club in other ways.

The names on the election packet were randomly drawn. There was discussion about the wording on the ballot that “If more than 3 names are circled, only the first 3 will be counted”. It was determined that it should not be up to the people processing the ballots to make that decision and the ballot would be reworded to state: “If more than 3 names are circled, and you DO NOT draw a line through the name/s that you do not want to choose and put your initials at the end of the line, your ballot will be void.

9.11.18 f. Motion to approve if more than 3 names are circled, and not crossed out and initialed, the ballot is void

Motion seconded and passed

VI. NEW BUSINESS

Incident Report – AGC CR Terry Humbargar – Reported that an incident occurred on the 100-yd range on Aug. 19th between a member and range officer. A cease fire was called due to deer crossing on the top of the 100-yd range. Another member also yelled cease fire, everyone remained behind the line and waited for an all clear. A while later the deer came back through and another cease fire was called. The member was then speaking with the RO about not being able to clear his gun when the cease fire was called. He understood the cease fire but had great concerns when the RO went down range to place clay targets with live rounds on deck. That is a safety violation to go down range with live ammo involved. The conversation got a little heated, as the member was upset about the situation. There was then some name calling between the member and another member. The CRO was then asked to intervene and asked the member and family to pack up for the day and leave the range. CRO said the member was getting very agitated and angry about the situation. The member said that he was trying to talk about the situation but the CRO was yelling at them and belittling them and there was no real good communication that could be done at that point. The member and family left, and their badge was deactivated. A letter was then sent to the member to appear before the board.

Motion to give a 6-month suspension was made – Motion for a 1-month suspension was made

Loren asked Steve to withdraw his motion. Discussion about what was reasonable. Manny made a motion to split the difference and do a 3-month suspension. Member will not be eligible to vote in this year's election.

9.11.18 g. Motion to suspend the member for 3 months from Aug. (Michael abstained due to personal relationship)

Motion seconded and passed

Independent Work Parties – Dave Bonner had 5 people work on the silhouette range for work party credit. Dave made plans with Richard in advance. He stated that the Golden Gun Club held monthly work parties. Maybe holding more than 2 a year might get more interest. Hiring a professional company to come out 2 or 3 times a year to clean up the range might also be a good idea. There was discussion about the Chair Disciplines being able to hold their own work parties to clean up their ranges and no one on the board indicated a problem with this decision.

Review of October Calendar – Calendar approved

VII. ROUND TABLE

Manny Boyd – Asked Carla to please credit Rex Portner Sr. 3 1/5 hours for welding work on Magnum handgun

Loren Kohler – It's that time of year for the ATA folks get together to put their calendar together and to also pay the \$100 fee annual fee.

VII. RECESS & ADJOURNMENT

IX. NO EXECUTIVE SESSION

Announcements

Looking for Members to help form a Legal Committee

The board is looking for a few members with legal expertise to form a committee that would be responsible for setting up legal documents for the club, should anything happen that would force the club to close. There is concern with the continuing encroachment around the club that this could be a possibility and would like to have all necessary legal documents in place.

Friendly Reminder

Please be sure to pick up all shell casings when you are done shooting.

ANNUAL ELECTION INFORMATION

Members, by now you should have received your 2018 Election packet and ballot. Please take time to vote and get our ballot mailed out in time to be received at the PO by Oct. 6th. Or bring your ballot to the club on Sunday, October 7th. Should you have any questions, please contact Dave Carricker at 303-798-3471 or Carla Smith, Administrative Assistant at 720-662-7589 or email at: auroragunclub@q.com

Sunday, Oct. 7th

Annual Meeting Time: 11:00 AM—12:00 PM

Polling Time: 11:00 AM—1:00 PM

Please do your part and VOTE, as we need to meet a quorum for the election to count. Thank you!

Ceasefire vs. closing the range to set targets

Due to some confusion in the past months I would like to clarify and set the standard for a cease-fire and a closing of the range to set targets. When a ceasefire is called by a range officer or any member you are to immediately clear your weapon (unload/make it safe), put it down (on the bench or in a rack) step back away from it and wait for further instructions.

To close the range the person lowering the flag whether it be a range officer or member should clear the range both to the left and the right and wait for a signal from the shooters that it is OK with them to lower the flag and close the range to set targets or pick your target up. I hope this helps clarify the difference between a cease-fire and a range closure. Thank you! CRO Terry Humbargar

Sad News at the Club

A sad note for wildlife at the club. It appears the whitetail doe and fawn that were living in the reeds/brush between the 100 and 200 yard ranges are now gone. A fawn was killed on the highway late July and a doe was killed mid August. We have not seen our resident friends since. At times we had to cease fire as they came into view. They will be missed.

Aurora Gun Club NRA Action Pistol Match

Have you ever had one of those days where it seems like everything goes right? Well, we had one of those days at the NRA Action Pistol match this morning. From set up to recovery and everything in between it just went smoothly. I have been dove hunting a lot lately and this morning there were a fair number of doves flying by and taking my attention away from, well, from almost everything. But still, it was a great day at the range.

John Burkholder came out with his son, Josh, age 10. John is a pretty good shooter so no one was surprised when Joh started shooting remarkable well. Josh is one of those kids who is a natural. I'll bet that when he gets a little older there will be a bunch of big named shooters looking over their shoulder at this little hot shot.

We also got to welcome Walter Johnson and his lovely wife, Lizzy, to the match. Walter just got out of the Marine Corps where he was assigned to, get ready for this, the competitive marksmanship unit! Dietrich, Steve Knoll and Alex met Walt at the Bianchi Cup where he was busy beating up on a bunch of shooters. He even won something as one of the top military shooters. Lizzy wasn't shooting but she did help out by scoring targets and general stuff. It was like Walter and Lizzy had been shooting the ACG match for as long as it's been going on. Walter just today changed from the metallic division to production. Even though his scores weren't as great as he usually posts they were more than respectable. This is another guy to watch.

Bob Hughes came out and brought a couple of his competition pistols. He shoots them well and let me give them a spin. As is usually the case it's not the song, it's the singer. As nice as Bob's guns are you can't buy scores. A good gun sure helps but it also helps if you are a good shot. Bob is a good shot!

"Evil" Scott Starks decided to shoot his 1911 today instead of his Comp Glock. His scores sure reflected that change. It's not that his 1911 is bad but rather Scott is used to his Glock. And speaking of "used to his Glock," Carey McDonald posted his first ever 400 in any Action Pistol stage! I don't know who was happier, Carey or everyone else. Carey shoots the probationary (modified) course and taking advantage of this is really contributing to a vast improvement. Keep up the good work, Carey! Bob Daneker and Rich Sundvick seem to spend a lot of time pushing each other around the scoreboard. It sure is great to see some friendly competition on the range!

Bob Dabeker	339-40	261-4	340-4	190-19	1130-31X
Josh B.	390-13	311-6	0*	260-26	961-45X

*Josh and John had a previous engagement and left before they had a chance to shoot the Practical stage. You can see that even if you can't stay for the whole match you can still come out and shoot a few events!

Last month Roy Batzel, Steve Knoll, Dietrich Whiteside and Alex Ragulsky, accompanied by Carey McDonald and David Wood shot the Steamboat Challenge in Cheyenne. Steve won about everything there was to win while Roy, Dietrich and Alex managed to bring home awards as well. Carey McDonald was awarded the "spirit" award based on his "never quit" attitude just like the famous Wyoming bucking horse "Steamboat."

Our next match is the second Saturday in October, the 13th. We start setting up at 7:30. Come out and join the fun at a safe, stress-free match.

Until next time shoot straight, shoot safe and shoot a lot,

Bob Daneker, Alex Ragulsky and the entire Aurora Gun Club NRA Action Pistol crowd.

What a great shoot and turn out. We ran another 4 relays. Our next shoot will be on Sat., Oct. 6th at 8:30. This will give our shooters a sight in time from 0730—0830. We will also have a Military Pistol Match after our regular match.

Thanks to all who keep this match going!

Our score keepers have asked us to keep the scoring area clear during the match. They are scoring a lot of targets and any distractions make it more difficult. So we appreciate your help with this.

See you in October!

HANDICAP:

19-21 Yards - Guy Harmon - 47
Ted Okuno - 45

DOUBLES:

B Class - Mike Roy - 21

The October shoot is tentatively scheduled for Sunday, Oct. 14th. There is a possibility that I will be elk hunting during that time and unavailable to run the shoot. If any of the regular trap shooters would like to step in and takeover that day, please let me know. If no one wants to take that day, we can cancel and just have normal practice targets. I do want to thank Steve Kelley for coming in to score the September shoot. Our trap personnel were gone for the shoot and Steve was nice enough to pitch in—Many thanks for your help Steve!
