PRESIDENT'S MESSAGE

Where has 2008 gone? Here it is the holidays and it just seems we were celebrating New Years Day!! As you probably saw in the minutes we are going to have our holiday Pot Luck dinner on Sunday, December 20th in the clubhouse beginning at noon. Check the newsletter for details and what to bring as Emmanuel is doing a great job of organizing this years event. Also, you probably saw we formed a formal relocation committee. Please do not get the wrong idea we are moving but, as we all know "civilization" is finding us and we need to look for land in case our options run out. The three members chosen will do a great job for us all. As of the 11-11-08 BOD meeting no member has come forward as the ATA representative to handle ATA shoots at the Aurora Gun Club. ATA sanctioned events for 2009 will be in jeopardy should this position remain unfilled by the December BOD meeting when the 2009 schedule is finalized and approved by the BOD. Any member interested please contact a BOD. I will close with a couple of my favorite real quotes from teachers in the New York public school system on students' report cards. "Since my last report to you your child has reached rock bottom and started to dig!". "Your son sets low personal standards, and then consistently fails to achieve them!". And finally "If this student were any more stupid, he'd have to be watered twice a week". Enjoy safe and successful shooting.

Terry Humbargar— President

CRO's Corner

I would like to let all those certified range officers know that the "cut-off" date for RO hours has past for this year. What that means is any RO hours worked between now and the end of December 2008 will be applied towards dues reduction for 2010.

I would like to remind all members of the AGC to please NOT share the code to the gate with anyone. We all will be getting the new code for the gate at the start of 2009. If a nonmember is to meet you at the club arrange to meet them at the gate where you input the code into the keypad yourself. Many nonmembers have been seen at the gate using their cell phones then moments later entering the club after they input the correct gate code. It is your club please treat it as such. Have a great November!

The 50 yard 8-Ring was a tie with Don Philips and Rick both shooting a 42.

Next Season we will be allowing shooters only one make up match for the year end totals for the Top Gun Awards. It is my intent to keep this match as fair as possible for all shooters.
