Aurora Gun Club
2011
Range Activity Scheduling Request

Activity Name:_____ Sheet __ of ___

Contact Name: _____

Contact Phone: _____ Email address: _____

Please use exact dates, rather than 3rd Saturday or 4th Sunday. Include start times and approximate completion times to help us avoid conflicts. Examples of requested facilities are 200 yd range, silhouette range, magnum pistol, 100yd rifle, pistol berms 1 through 7, sporting clays, trap, 3 traps, club house, classroom trailer, etc. If one sheet is not enough to complete your request, attach a second sheet and make note of the fact on the top sheet. Note that all activities are subject to approval by the Board of Directors. In order for the schedule to be presented to the board at the December board meeting, I need to have completed schedules for all disciplines in my hands by October 31, 2010. This is to allow time to approve activity requests for the new year and get the word out. These forms will be available from the club website or at the front desk in the clubhouse. Feel free to email them to me, snail mail, or leave them at the front desk. My email address is auroragunclub@msn.com. If you prefer snail mail, that address is Candy Nonnemacher, 17016 Bennett Dr., Parker CO 80134.
